

Good morning guys,

We hope this email finds you and your family safe and healthy.

Bridgewater is still closed and will reopen once given permission by the Province of Ontario. Please check the website often for golf course updates. <https://www.bccgolf.ca/>

The Men's Club directors held a virtual meeting last week to discuss the 2020 golf season. The following items were discussed and agreed upon:

- The Opening Day Event that was scheduled for April 25<sup>th</sup> has been postponed.
- The Thursday League is scheduled to begin on May 7<sup>th</sup>. As of this morning, we have not postponed the start of the League.
- The Men's Club is evaluating events on a weekly basis since the COVID-19 situation is so fluid and dynamic. Hopefully everyone understands that the schedule/formats for these events are subject to change based on when the golf course can reopen and the health official guidelines.

If you have not signed up for the Men's Club or the Thursday League, please send your application into the Pro Shop. The application can be found on the website.

The Men's Club will stay in contact with Bridgewater and pass along updates as necessary. If you would like to be removed from the email list, please let us know.

Thanks, be safe and please do your part to flatten the curve.

Mark Jarmuz

President - Bridgewater Men's Club
