

Good afternoon guys,

We hope this email finds you and your family safe and healthy. Hopefully, all the Canadian members were able to get out and enjoy the golf course the past few days. I heard the course is in fantastic condition.

The Men's Club Directors held a virtual meeting on Monday Night to discuss the upcoming golf season and the latest health and safety guidelines. The following items were discussed and agreed upon:

- The Weekly Events will begin on Tuesday, May 26th
- The Men's Club Opening Event will be held on Saturday, May 30th. Details were sent out earlier today, tee times will be from 8am-10am for this event and is open to all male members of Bridgewater. Form your own 4somes or sign up individually and the pro shop will pair you up. Cost is \$20. See the website for more information.
- The Thursday Men's League will begin on Thursday, June 4th. In order to follow the current health guidelines, the League will use tee times instead of a shotgun. Additional information will be sent to League players this week. If you haven't signed up yet, please call the Pro Shop.
- The popular Men's Club Member-Member originally scheduled for June 19th and 20th will be postponed to August 21st and 22nd.

For those of you who are new to Bridgewater and are wondering what the Men's Club and the information above is all about, please email, call or check out this link on the Bridgewater website: <https://www.bccgolf.ca/aboutus/>

If you respond to this email and tell me your favourite PGA player, you will be entered into a drawing to win a dozen PRO V1's this weekend at Bridgewater. All responses must be received by 10pm on Friday, May 22nd to be entered in the drawing.

Thanks and be safe.
